

NOTICE
Matagorda ISD is in the Federal Program planning process for the
ESSER II and ESSER III Federal Applications

The purpose of this notice is to provide public notice and to solicit input into the planning of the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) ESSER II and the Elementary and Secondary School Emergency Relief Grant ESSER III.

Entitlement for 2020-2023 ESSER II: \$125,792

Entitlement for 2020-2024 ESSER III: \$282,603

The intent and purpose of the CRRSA ESSER II and ESSER III funding is to prevent, prepare for, and respond to the coronavirus, and help safely reopen and sustain the safe operation of schools. The ESSER II is a one-year grant which allows pre-award costs and carry-over funds to a second year. The ESSER III is a two-year grant which allows pre-award costs and carry-over funds to a third year. Generally, the District proposes to use the funds to meet the needs of students and staff addressing instructional continuity, allowable salaries, mental/social health and support, federal program technical assistance, and issues that are related to the impact of COVID-19.

Matagorda ISD encourages our community's input into the grant application planning for the use of funds for ESSER II and ESSER III. Please direct any questions, comments or suggestions to Sierra Padilla at spadilla@matagordaisd.org. Public comment and input will be taken into consideration for the final *Use of Funds Plan* to be implemented in the Federal Applications.
